Preliminary Matters

A. Pre-action Protocols

Before commencing a PlcArbs Arbitration the parties should comply with the relevant personal injury or clinical negligence protocol. If any Party to a PlcArbs Arbitration fails to comply with the relevant protocol this may be taken into account by the Arbitrator when making any costs decision in the Arbitration.

B. The Agreement to Arbitrate and Fees

Where any actual or potential parties to any actual or potential personal injuries or clinical negligence dispute or claim wish to resolve their dispute or claim by a PlcArbs arbitration they should:

- [1] agree in writing to resolve their issues by an arbitration under the PlcArbs Rules or by a "PlcArbs arbitration"; and
- [2] download the PlcArbs standard form of arbitration agreement from the PlcArbs website: www.PlcArbs.co.uk; and
- [3] negotiate the terms of their arbitration agreement and then both sign it. No PlcArbs arbitration can start without the parties first having signed a PlcArbs arbitration agreement form (whether amended or not) and that agreement will set out the parties lawyers email addresses for service.

Where the parties have agreed in writing to resolve their claim or dispute by an arbitration under the PlcArbs Rules or by a PlcArbs arbitration the parties shall be taken to have agreed that the arbitration shall be conducted in accordance with the following rules ("**the PlcArbs Rules**") or such amended rules as PlcArbs publish from time to time on the PlcArbs website.

If the parties fail to reach agreement on recoverable hourly rates then the rates will be assessed after the arbitration is settled or the award is made. The parties cannot alter the hourly rates or the cancellation fees charged by PlcArbs Panel of Arbitrators or PlcArbs which are published from time to time at www.PlcArbs.co.uk.

C. Online e-filing, Registering, Document Storage and Communication

- [1] All PlcArbs arbitrations shall be conducted through the dedicated PlcArbs e-filing/e-serving system at www.PlcArbs.co.uk/filing/.
- [2] All parties to a PlcArbs arbitration through their lawyers must visit www.PlcArbs.co.uk/filing/ and register by creating a user name and password. Insurers who are Parties or have a subrogated right to defend a claim are also entitled to access to the e-filing system.
- [3] All Arbitrators and PlcArbs Arbitrators and counsel instructed by any Party must visit www.PlcArbs.co.uk/filing/ and register by creating a user name and password.
- [4] Once an arbitration has started no document shall be sent to and no communication will take place with the PlcArbs Arbitrator save through the www.PlcArbs.co.uk/filing/ system. Save that any interlocutory or final

hearing may take place in any way in which the parties and/or the Arbitrator may choose and save as set out in [6] below.

- [5] Where any Rule set out below states that one Party should send anything to or should communicate with or serve upon another Party or the Arbitrator or the PlcArbs registrar or should file anything then the www.PlcArbs.co.uk/filing/ system **must be used** whether or not any PlcArbs Rule expressly states that the www.PlcArbs.co.uk/filing/ should be used.
- [6] The parties may communicate with the Arbitrator's clerks in any way which is expedient including directly by e-mail or telephone.

RULES

Rule 1

Starting the Arbitration, Appointment of the Arbitrator, Staying the Arbitration

The Request to Start an Arbitration

- 1.1 To start an arbitration the Claimant (or exceptionally the Defendant or an Insurer with a right of subrogation to defend a claim) must make an online request to start a PlcArbs arbitration ("**the Request**") to the PlcArbs Registrar ("**the Registrar**") at www.PlcArbs.co.uk/filing/.
- (a) The online request form requires the applying Party to provide the following information: the names, addresses, telephone numbers and e-mail addresses and file references of the parties to the arbitration and of their legal representatives and of the Arbitrator if the parties have chosen and agreed one and of counsel to be instructed by the parties (if known); and
- (b) the online request form requires the applying Party to upload the following "**accompanying documents**":
- a **Summary of the Claim** containing a description of (1) the nature and circumstances of the Accident/events allegedly causing the personal injuries and (2) the negligence or breaches of statutory duty advanced by the Claimant against another Party to the arbitration ("**the Defendant**") and (3) the approximate quantum of the claim, and, if necessary, (4) any comment on matters relating to the conduct of the arbitration;
 - **the PlcArbs Arbitration Agreement** already signed by the parties;
 - a **PlcArbs Acceptance of Appointment Form signed by the chosen arbitrator**, (if the parties have chosen and agreed who the Arbitrator shall be); and
- (c) the filing of the online request will make the applying Party liable to **pay the Commencement Fee** prescribed in the PlcArbs Schedule of Costs. An invoice will be sent by PlcArbs to the applying Party which must be paid forthwith on receipt; the applying Party can then recover half the fee from the other Party (unless the Parties have agreed otherwise); and
- (d) the filing of the Request will generate an arbitration number for the arbitration. E-mail notification of the start of the arbitration and the arbitration number will be sent simultaneously via www.PlcArbs.co.uk/filing/ to all other Parties to the arbitration.

Note: in some circumstances the Defendant/s may be the Party applying to start the arbitration. In which case the Rules above and below will be read in such a way as to cater for this.

The Appointment of an Arbitrator (from the PlcArbs Panel of Arbitrators or by the parties)

- 1.2 The Registrar will within 28 days of receipt of the Request send to the Claimant/s and the Defendant/s by e-mail via www.PlcArbs.co.uk/filing/ **Notice of Appointment of the Arbitrator** containing the name of the person who has been appointed as the Arbitrator from the PlcArbs Panel of Arbitrators, or if the Request and enclosures with it already set out the name of the Arbitrator whom both parties have agreed will act as Arbitrator and the parties or the Arbitrator have filed a **PlcArbs Acceptance of Appointment Form** signed by the chosen Arbitrator, then the Notice of Appointment will set out that arbitrator's name.

Start of the PlcArbs Arbitration

- 1.3 The date of the e-filing of the Request to Start an Arbitration along with the Arbitration Agreement signed by both parties shall be the date on which the arbitration is deemed to have commenced regardless of when the fee is paid.

Stay the arbitration

- 1.4 The Parties can stay the Arbitration by agreement at any time and continue to use the e-filing system to exchange evidence and settle the arbitration.

Rule 2

The Response

- 2.1 Within 14 days of receiving from the PlcArbs Registrar via www.PlcArbs.co.uk/filing/ the e-mail notifying the Defendant of the Request to Start an Arbitration and the filing of the Arbitration Agreement, the Defendant shall, through its lawyers, register at www.PlcArbs.co.uk/filing/ and shall:
- (a) check and confirm on the e-file the contact details of its lawyers (solicitors and counsel) including the postal and e-mail address and telephone number; and
 - (b) e-file/e-serve **the Response** document setting out a brief summary of the defence, any admissions or denials of all or part of the claims advanced by the Claimant in the Request and setting out a summary of the facts and matters relied upon and any counterclaims advanced by the Defendant against the Claimant and including any comment in response to any statements contained in the Summary of Claim on matters relating to the conduct of the arbitration.
- 2.2 Failure to e-file a Response shall not preclude the Defendant from denying any claim or from advancing a counterclaim in the arbitration.

Rule 3

The Arbitrator and the Registrar

- 3.1 The functions of the Arbitrator under these Rules shall be performed by the arbitrator appointed by PlcArbs from the PlcArbs Panel of Arbitrators or by the arbitrator chosen and agreed and named by the parties as the arbitrator (but only if such person is a QC/barrister over 15 years experience and has signed the PlcArbs Acceptance of Appointment form and those forms have been e-filed).
- 3.2 The functions of the Registrar under these Rules shall be performed by a member of the PlcArbs staff.

Rule 4

Serving documents, Notices and Time

- 4.1 Any notice, document or other communication that may be or is required to be given or served or filed by a Party under these Rules shall be filed and served via www.PlcArbs.co.uk/filing/.

- 4.3 For the purpose of determining the date of service of a document or notice or other communication, the document/notice/communication shall be treated as having been received on the day it was uploaded onto www.PlcArbs.co.uk/filing/ so long as this was done before 4 pm.
- 4.4 For the purpose of determining compliance with a time limit, a document, notice or other communication shall be treated as having been served if it is uploaded in accordance with Rules 4.1, 4.2 or 4.3 onto www.PlcArbs.co.uk/filing/.
- 4.5 Notwithstanding the above, any communication by one Party may be addressed to another Party (but not the Arbitrator) in the manner agreed in writing between them or in any manner ordered by the Arbitrator but no service can take place other than through the PlcArbs e-filing system.
- 4.6 For the purpose of calculating a period of time under these Rules, such period shall begin to run on the day following the day when a notice or other communication is sent via www.PlcArbs.co.uk/filing/. If the last day of such period is an official holiday or a non-business day at the residence or place of business of the addressee, the period is extended until the first business day which follows. Official holidays or non-business days occurring during the running of the period of time are included in calculating that period.

- 4.7 The Arbitrator may at any time extend (even where the period of time has expired) or abridge any period of time prescribed under these Rules or under the Arbitration Agreement for the conduct of the arbitration, including any notice or communication to be served by one Party on any other Party.
- 4.8 If there is a dispute about the date of service of a document, notice or other communication the Arbitrator may ask the PlcArbs Registrar to search PlcArbs' records and to provide a copy of the email notification sent to the Party being served.

Rule 5

- 5.1 All references to an Arbitrator shall include the masculine and feminine (references to the Registrar, an expert, a witness, a Party and a legal representative shall be similarly understood).
- 5.2 The Arbitrator conducting an arbitration under these Rules shall be and remain at all times impartial and independent of the parties and shall not act in the arbitration as an advocate for any Party. No Arbitrator, whether before or after appointment, shall advise any Party on the merits or outcome of the dispute save that the provision of a written neutral evaluation under these Rules is permitted.
- 5.3 The Arbitrator shall on appointment assume a continuing duty forthwith to disclose any actual or potential conflict of interest or other matter or circumstance that may give rise to justifiable doubts as to his impartiality or independence to all the parties if such circumstances should arise after the date of such declaration and before the arbitration is concluded.

Rule 9

Expedited Arbitration

- 9.1 In exceptional urgency, on or after the commencement of the arbitration, any Party may apply to the Arbitrator for the expedited arbitration, including the appointment of any replacement arbitrator under Rules 10 and 11 of these Rules.

- 9.2 Such an application shall be made via www.PlcArbs.co.uk/filing/ in writing to the Arbitrator, and will automatically be copied to all other parties to the arbitration and it shall set out the specific grounds for exceptional urgency in the arbitration. For instance, if the Claimant is dying and wishes to give evidence in the arbitration before his death.
- 9.3 The Arbitrator may, in his complete discretion, abridge or curtail any time-limit under these Rules for the arbitration, including service of the Defence and of any matters or documents adjudged to be missing from the Request.

Rule 10

Revocation of Arbitrator's Appointment

- 10.1 If either (a) any Arbitrator gives written notice via www.PlcArbs.co.uk/filing/ of his desire to resign as Arbitrator, or (b) any Arbitrator dies, falls seriously ill, refuses, or becomes unable or unfit to act, or (c) any Party provides via www.PlcArbs.co.uk/filing/ written Notice of Complaint to the PlcArbs Registrar along with a Complaint Fee as set out in the Schedule of fees published from time to time by PlcArbs, alleging that any Arbitrator has delayed providing responses to correspondence unreasonably or failed to deliver decisions within 28 days of hearings, then PlcArbs may (in its absolute discretion) revoke that Arbitrator's appointment and appoint another PlcArbs Arbitrator. The Registrar shall decide upon the amount of fees and expenses to be paid for the former Arbitrator's services (if any) as he may consider appropriate in all the circumstances. The defaulting Arbitrator shall accept the decision of the replacement Arbitrator on such fees.
- 10.2 If any Arbitrator acts in deliberate violation of the Arbitration Agreement (or these Rules) or does not act fairly and impartially as between the parties or does not conduct or participate in the arbitration proceedings with reasonable diligence, so as to avoid unnecessary delay or expense, that Arbitrator may be considered unfit in the absolute discretion of the PlcArbs Registrar and may be removed by the PlcArbs Registrar on the application of one or both parties.
- 10.3 An Arbitrator may also be challenged by any Party if circumstances exist that give rise to justifiable doubts as to his impartiality or independence. A Party may challenge an Arbitrator it has nominated, or in whose appointment it has participated, only for reasons of which it becomes aware after the appointment has been made.
- 10.4 A Party who intends to challenge an Arbitrator shall, within 15 days of becoming aware of any circumstances referred to in Rules 10.1, 10.2 or 10.3, send via www.PlcArbs.co.uk/filing/ a written Statement of the Reasons for its challenge to the Arbitrator, the PlcArbs Registrar and all other parties and shall pay the PlcArbs Challenge Fee set out in the Schedule of Costs published by PlcArbs from time to time. Unless the challenged Arbitrator withdraws or all other parties agree to the challenge within 15 days of receipt of the written statement, the PlcArbs Registrar shall decide on the challenge in his absolute discretion.

Rule 11

Replacement of Arbitrators

- 11.1 In the event that an appointed Arbitrator is to be replaced for any reason, the PlcArbs Registrar shall have complete and unfettered discretion to decide upon the replacement from the PlcArbs Panel of Arbitrators unless the parties agree the name of the replacement QC/barrister with over 15 years experience Arbitrator.

Rule 12

- 12.2 The Arbitrator shall either:

- (a) contact the PlcArbs Registrar for a Neutral Evaluator to be appointed either as agreed and identified by the parties or by rotation from the PlcArbs Panel of Arbitrators; and
 - (b) receive from the PlcArbs Registrar within 28 days of the request, confirmation of the Neutral Evaluator's name and email address; and
 - (c) as soon as is reasonably practicable, revise the access details on the online arbitration file so that the Neutral Evaluator can gain access to the file and shall ask the Neutral Evaluator to carry out the NE.
- 12.4 If both parties accept the evaluation of the Neutral Evaluator then the arbitration shall be settled on that basis, save that the costs of the arbitration shall be agreed by the parties or shall be determined by the Arbitrator.
- 12.5 If one or both parties reject the evaluation of the Neutral Evaluator then the arbitration will proceed.

Rule 13

Rule 14

- 14.1 The parties may agree on the conduct of their arbitral proceedings and shall co-operate with each other and are encouraged to do so at all times. Such agreements shall be made by the parties in writing or recorded in writing by the Arbitrator at the request of and with the authority of the parties and must be filed and served via www.PlcArbs.co.uk/filing/ so that the Arbitrator can see the progress of the arbitration on the e-file.

Arbitrator's discretion

- 14.2 Unless otherwise agreed by the parties under Rule 14.1, the Arbitrator shall have the widest discretion to discharge his duties allowed under such law(s) or rules of law as the Arbitrator may determine to be applicable and at all times the parties shall do everything necessary for the fair, efficient and expeditious conduct of the arbitration.
- 14.3 At all times, the Arbitrator shall:
- (a) act fairly and impartially as between all parties, giving each a reasonable opportunity of putting its case and dealing with that of its opponent; and
 - (b) adopt procedures suitable to the circumstances of the arbitration, avoiding unnecessary delay and/or expense, so as to provide a fair and efficient means for the final resolution of the parties' dispute; and

The Civil Procedure Rules (CPR)

- (d) in the event that the Parties make offers within the arbitration that otherwise comply with CPR Part 36, have the same powers as a Judge has under that Part; and
- (e) not apply the amendments to the CPR made in April 2013 pursuant to the recommendations made by Lord Justice Jackson and thereafter relating to Costs Budgeting or "Mitchell" strike outs or the alteration of the overriding objective to take into account the convenience of the courts.

Quarterly updates on costs etc

- (f) require the parties to keep him (and each other) informed via the e-filing system of (1) the level of their base costs and their disbursements and (2) the progress of the arbitration once every 3 months during the arbitration.

- 14.4 30 days after the close of pleadings the parties shall agree and file their directions for the future conduct of the arbitration. If they fail to do so the Arbitrator may encourage the parties to attend a preliminary meeting (either on the phone or face to face). Such a meeting is not compulsory and the parties may decide not to have any preliminary meeting and may instead draw up their arbitration directions by consent and e-file them for the Arbitrator to convert into an order for directions and the Arbitrator will do so if he considers that the directions agreed are appropriate. In the event that the parties do not wish to take part in a meeting and still do not draw up their own agreed directions, the Arbitrator may invite written submissions and/or make such directions as appear appropriate on the material available.
- 14.5 At any preliminary meeting (whether it be face to face or on the telephone) all relevant matters should be discussed including all procedures, directions, disclosure, third party disclosure by way of a court order, liability and quantum issues, evidential matters, payments on account to the arbitrator, the timing of the Joint Settlement Meetings, mediation and the NE, the timing and form of the final arbitration hearing, any interim awards and all other relevant matters. The Arbitrator may then make directions for the future conduct of the arbitration.

Rule 15

If the Summary of Claim filed with the Request was sufficient to satisfy this rule then the Claimant may elect to treat the Summary of Claim as its Statement of Claim. The Claimant must inform the Arbitrator and Defendant of that election.

- 15.3 Within 30 days of receipt of the Statement of Claim the Defendant shall e-file and serve via www.PlcArbs.co.uk/filing/ a full Defence to the Claim and a Counter schedule in the similar form as is required under the Civil Procedure Rules (CPR) setting out in sufficient detail which of the facts and contentions of law in the Statement of Claim it admits or denies and the grounds for so doing and setting out the facts and contentions of law on which it relies. Any counterclaims shall be submitted with the Defence in the same manner as claims are to be set out in the Statement of Claim. The Defendant may instead rely upon its Response if it is

sufficiently full and contained a counter schedule in which case the Defendant shall notify the other parties of such.

- 15.4 Within 14 days of receipt of the Defence, the Claimant shall (if necessary) e-file and serve via www.PlcArbs.co.uk/filing/ a Reply which, if there are any counterclaims, shall also include a Defence to Counterclaim.
- 15.5 If the Reply contains a Defence to Counterclaim, within 14 days of its receipt the Defendant may e-file and serve via www.PlcArbs.co.uk/filing/ a Reply.

Documents attached to Pleadings

- 15.6 All pleadings referred to in this Rule shall be e-filed with copies (or, if they are especially voluminous, lists) of all essential documents on which the Party concerned relies and which have not previously been e-filed by any Party, and (where appropriate) by any relevant samples and exhibits.

Close of Pleadings

- 15.7 The pleadings close on the day of the service of the Defence or the Reply, whichever is latest.
- 15.8 If the Defendant fails to e-file and serve a Defence or the Claimant fails to e-file a Defence to any Counterclaim, or if at any point any Party fails to avail itself of the opportunity clearly to set out its case in writing in the manner required by Rule 15 or directed by the Arbitrator, the Arbitrator may nevertheless proceed with the arbitration and make an award.

Rule 16

- 16.1 The arbitration law (Lex Arbitri) applicable to all PlcArbs arbitrations shall be the law of England and Wales and hence the Arbitration Act 1996 shall apply and the seat of the arbitration shall be London.
- 16.2 The Arbitrator may hold hearings, telephone hearings, meetings and deliberations at any convenient geographical place in his discretion, and if elsewhere than the seat of the arbitration, the arbitration shall be treated as an arbitration conducted at the seat of the arbitration and any award as an award made at the seat of the arbitration for all purposes.
- 16.3 The law applicable to the contractual or non-contractual obligations which are the subject matter of the arbitration shall be the law of England and Wales unless one of the parties raises the issue of applicable law in the arbitration agreement and/or in the pleadings, in which case the Arbitrator shall determine the applicable law to the extent required to determine the issues in the Arbitration.

Rule 17

Rule 18

Party Representation

- 18.1 All parties shall be represented by a Solicitor or a Barrister or both from the start of the pleadings stage and thereafter throughout the arbitration and at any hearing before the Arbitrator.
- 18.2 At any time the Arbitrator may require from any Party proof of authority granted to its representative(s) in such form as the Arbitrator may determine.

Rule 19

Hearings

- 19.1 Any Party which expresses a desire to that effect has the right to be heard orally before the Arbitrator on the merits of the dispute, unless the parties have agreed in writing on a documents-only hearing or arbitration.
- 19.2 The Arbitrator shall fix the date, time and physical place for any telephone hearings, video or Skype hearings, meetings and final hearings in the arbitration and shall give the parties reasonable notice thereof.
- 19.3 The Arbitrator may in advance of any hearing submit to the parties a list of questions which he wishes them to answer with special attention.
- 19.4 All meetings and hearings shall be in private and confidential unless the parties agree otherwise in writing.
- 19.5 The Arbitrator shall have the fullest authority to establish time-limits for meetings and hearings, or for any parts thereof.

Rule 20

Witnesses – lay and expert

- 20.1 Before any hearing and in any written directions, the Arbitrator may require any Party to give notice via www.PlcArbs.co.uk/filing/ of the identity of each witness that the Party wishes to call (including rebuttal witnesses), as well as the subject matter

of that witness's testimony, its content and its relevance to the issues in the arbitration. All witness statements should include a signed statement of truth.

- 20.2 The Arbitrator may also determine the time, manner and form in which such materials should be exchanged between the parties and presented to the Arbitrator; and he has a discretion to allow, refuse, or limit the appearance of witnesses (whether witness of fact or expert witness) but should as a general rule allow parties to call such witnesses to prove their case or to rebut the other Party's case as they consider that they need so to do.
- 20.3 Subject to any order otherwise by the Arbitrator, the testimony of a witness may be presented by a Party in written form, either as a signed statement or as a sworn affidavit.
- 20.4 Subject to any agreement made between the parties to the contrary a Party may request that a witness, on whose testimony another Party seeks to rely, should attend for oral questioning at a hearing before the Arbitrator. If the Arbitrator orders that other Party to produce the witness and the witness fails to attend the oral hearing without good cause, the Arbitrator may place such weight on the written testimony (or exclude the same altogether) as he considers appropriate in the circumstances of the case.
- 20.5 Any witness who gives oral evidence at a hearing before the Arbitrator may be questioned by each of the parties under the control of the Arbitrator. The Arbitrator may put questions at any stage of the hearing.
- 20.6 Subject to the mandatory provisions of any applicable law, it shall not be improper for any Party or its legal representatives to interview any witness or potential witness for the purpose of presenting his testimony in written form or producing him as an oral witness. However no witness training relating to the evidence in the arbitration shall be carried out by any Party.
- 20.7 Any individual intending to testify to the Arbitrator on any issue of fact or expertise shall be treated as a witness under these Rules notwithstanding that the individual is a Party to the arbitration or was or is an officer, employee or shareholder of any Party.

Rule 21

Experts to the Arbitrator

- 21.1 Unless otherwise agreed by the parties in writing, the Arbitrator:
- (a) may, if the parties have failed or refused to instruct an expert on a relevant issue and the Arbitrator considers that expert evidence is necessary fairly to decide the issue, appoint one or more experts to report to the Arbitrator on specific issues, who shall be and remain impartial and independent of the parties throughout the arbitration proceedings; and

- (b) may require a Party to give any such expert any relevant information or to provide access to any relevant documents, goods, samples, property or site for inspection by the expert.

21.2 Unless otherwise agreed by the parties in writing, if a Party so requests or if the Arbitrator considers it necessary, an expert shall, after delivery of his written or oral report to the Arbitrator and the parties, participate in one or more hearings at which the parties shall have the opportunity to question the expert on his report and to present expert witnesses in order to testify on the points at issue.

21.3 The fees and expenses of any expert appointed by the Arbitrator under this Rules shall be paid as directed by the Arbitrator or out of the deposits payable by the parties under Rule 24 and shall form part of the costs of the arbitration.

Rule 22

Powers of the Arbitrator

22.1 Unless the parties at any time agree otherwise in writing, the Arbitrator shall have the power, on the application of any Party or on his own motion, but in either case only after giving the parties a reasonable opportunity to state their views:

- (a) to allow any Party, upon such terms (as to costs and otherwise) as he shall determine, to amend any pleading;
- (b) to extend or abbreviate any time-limit provided by the Arbitration Agreement or these Rules for the conduct of the arbitration or by the Arbitrator's own orders;
- (c) to conduct such enquiries of the parties as may appear to the Arbitrator to be necessary or expedient, including whether and to what extent the Arbitrator should himself take the initiative in identifying the issues within the scope of the Arbitration Agreement particularly in circumstances where the parties have not complied with Rule 14.3(e) or in response to issues raised by the parties;
- (d) to order any Party to make any property, site or thing under its control and relating to the subject matter of the arbitration available for inspection by the Arbitrator, any other Party, its expert or any expert to the Arbitrator;
- (e) to order any Party to produce to the Arbitrator and to the other parties for inspection and to supply copies of any documents or classes of documents, e-mails, e-documents in their possession, custody or power which the Arbitrator determines to be relevant;
- (f) to decide whether or not to apply any strict rules of evidence (or any other rules) as to the admissibility, relevance or weight of any material tendered by a Party on any matter of fact or expert opinion; and to determine the time,

manner and form in which such material should be exchanged between the parties and presented to the Arbitrator;

- (g) to order the correction of any contract between the parties or the Arbitration Agreement, but only to the extent required to rectify any mistake which the Arbitrator determines to be common to the parties and then only if and to the extent to which the law(s) or rules of law applicable to the contract or Arbitration Agreement permit such correction; and
- (h) to allow, only upon the application of a Party, one or more third persons to be joined in the arbitration as a Party provided any such third person and the applicant Party have consented thereto in writing, and thereafter to make a single final award, or separate awards, in respect of all parties so implicated in the arbitration.

Provisional damages and Periodical Payments

- (i) to award provisional damages on the same grounds as are set out in S.32A of the Senior Courts Act 1981 and/or periodical payments on the same grounds set out under the Damages Act 1996 as amended and/or the Damages (Variation of Periodical Payments) Order 2005.

CPR Part 36 and effect of offers

- (j) to award additional interest and damages strictly in accordance with CPR part 36.

Rule 23

Jurisdiction of the Arbitrator

- 23.1 The Arbitrator shall have the power to rule on his own jurisdiction, including any objection to the initial or continuing existence, validity or effectiveness of the Arbitration Agreement. For that purpose, an arbitration clause which mentions PlcArbs which forms or was intended to form part of another agreement (for instance a legal expenses insurance or personal accident insurance policy or another type of insurance policy, or a contract of employment) shall be treated as an arbitration agreement independent of that other agreement. A decision by the Arbitrator that such other agreement is non-existent, invalid or ineffective shall not entail ipso jure the non-existence, invalidity or ineffectiveness of the arbitration clause.
- 23.2 A plea by a Defendant that the Arbitrator does not have jurisdiction shall be treated as having been irrevocably waived unless it is raised on or before the date for service of the Statement of Defence; a like plea by a Defendant to Counterclaim shall be similarly treated unless it is raised on or before the date for service of the Defence to Counterclaim. A plea that the Arbitrator is exceeding the scope of its authority shall be raised promptly after the Arbitrator has indicated its intention to decide on the matter alleged by any Party to be beyond the scope of its authority, failing which such plea shall also be treated as having been waived irrevocably. In any case, the

Arbitrator may nevertheless admit an untimely plea if he considers the delay justified in the particular circumstances.

- 23.3 The Arbitrator may determine the plea to his jurisdiction or authority in an award as to jurisdiction or later in an award on the merits, as he considers appropriate in the circumstances.

Agreement not to Litigate

23.4 Subject to Rules 26.8 and 33, by agreeing to arbitration under these Rules, the parties shall be treated as having agreed not to apply to any state court or other judicial authority for:

- (a) any relief regarding the Arbitrator's jurisdiction or authority, or
- (b) any damages or other relief arising from the accident or events set out in or covered by the Arbitration Agreement;

except with the agreement in writing of all parties to the arbitration or the prior authorisation of the Arbitrator or following the latter's award ruling whether made at an interlocutory hearing or a final hearing or a ruling on an objection to the Arbitrator's jurisdiction or authority.

Stay of action

23.5 (a) By entering into the Arbitration Agreement, the parties consent to a stay of any issued or pending Court action.

- (b) The Claimant may not reinstate any existing Court case or file any lawsuit against the Defendant/s seeking any damages or other relief arising from the Accident/Events set out in or covered by the Arbitration Agreement save for the purpose of approving (where the Claimant lacks capacity) or enforcing the Arbitration Agreement and any settlement made within the arbitration or any award made within the arbitration or any appeal permitted by law. Applications under or permitted by or ancillary to the Arbitration Act 1996 may still be pursued.

Rule 24

Deposits for arbitration costs and arbitrator appointed experts

24.1 The Arbitrator may direct the Defendant/s and/or the Claimant/s in such proportions as the Arbitrator thinks appropriate, to make one or several interim or final payments on account of the costs of the arbitration.

- (a) Such deposit payments shall be paid to the Arbitrator and at least 14 days shall be given from the date of the order for payment to be effected.
- (b) Such deposits may include the costs of any expert appointed by the Arbitrator under these Rules.
- (c) The Arbitrator may pay his own fees and the fees of any expert he has appointed out of the deposits from time to time.

- 24.2 In the event that a Defendant or a Claimant fails or refuses to provide any deposit as directed by the Arbitrator, the Arbitrator may direct the other Party or parties to effect a substitute payment to allow the arbitration to proceed (subject to any award on costs). In such circumstances, the Party paying the substitute payment shall be entitled to recover that amount as a debt immediately due from the defaulting Party.
- 24.3 Failure by a Claimant or counterclaiming Party to provide promptly and in full the required deposit may be treated by the Arbitrator as a withdrawal of the claim or counterclaim respectively but only once a 2nd order has been sent by the Arbitrator to the Claimant or counterclaiming Party via www.PlcArbs.co.uk/filing/ setting out in “unless order” terms that such a consequence will result. If payment is not made in accordance with the unless order but is made soon thereafter the Arbitrator will have discretion to dis-apply the penalties imposed in the unless order
- 24.4 Failure by the Defendant to pay promptly a deposit for the Arbitration costs or the Arbitrator’s fees after submission of his fee note from time to time, in accordance with these Rules and in full may be treated by the Arbitrator as a withdrawal of the defence but only after a 2nd order has been sent by the Arbitrator to the Defendant via www.PlcArbs.co.uk/filing/ setting out in “unless order” terms that such a consequence will result. If payment is not made in accordance with the unless order but is made soon thereafter the Arbitrator will have discretion to dis-apply the penalties imposed in the unless order.

Rule 25

Interim Orders

- 25.1 The Arbitrator shall have the power, unless otherwise agreed by the parties in writing, on the application of any Party:
- to order any Defendant to a claim or counterclaim to provide security for all or part of the amount in dispute, by way of deposit or bank guarantee or in any other manner and upon such terms as the Arbitrator considers appropriate. Such terms may include the provision by the claiming or counterclaiming Party of a cross-indemnity, itself secured in such manner as the Arbitrator considers appropriate, for any costs or losses incurred by such Defendant in providing security. The amount of any costs and losses payable under such cross-indemnity may be determined by the Arbitrator in one or more awards;
 - to order the preservation, storage, sale or other disposal of any property or thing under the control of any Party and relating to the subject matter of the arbitration; and
 - to order on a provisional basis, subject to final determination in an award, any interim relief which the Arbitrator would have power to grant in an award, including an interim payment, a provisional order for the payment of money or the disposition of property as between any parties.
- 25.2 The Arbitrator shall have the power, upon the application of a Party, to order any claiming or counterclaiming Party to provide security for the legal or other costs of

any other Party by way of deposit or bank guarantee or in any other manner and upon such terms as the Arbitrator considers appropriate. Such terms may include the provision by that other Party of a cross-indemnity, itself secured in such manner as the Arbitrator considers appropriate, for any costs and losses incurred by such claimant or counterclaimant in providing security. The amount of any costs and losses payable under such cross-indemnity may be determined by the Arbitrator in one or more awards. In the event that a claiming or counterclaiming Party does not comply with any order to provide security, the Arbitrator may stay that Party's claims or counterclaims or dismiss them in an award.

- 25.3 The power of the Arbitrator under Rules 25.1 shall not prejudice howsoever any Party's right to apply to any state court or other judicial authority for interim or conservatory measures before the appointment of the Arbitrator and, in exceptional cases (for instance in those cases where a third Party who is not a Party to the Arbitration Agreement is involved as the defendant to the application for disclosure, relief or interim relief) thereafter. Any application and any order for such measures after the appointment of the Arbitrator shall be promptly communicated by the applicant to the Arbitrator and all other parties. However, by agreeing to arbitration under these Rules, the parties shall be taken to have agreed not to apply to any state court or other judicial authority for any order for security for its legal or other costs available from the Arbitrator under Rules 25.2.

Rule 26

The Award

- 26.1 Unless the parties grant further time and subject to Rule 26.2, the Arbitrator shall file and distribute his award in writing within 28 days of the final hearing via www.PlcArbs.co.uk/filing/ and, unless all parties agree in writing otherwise, shall state the reasons upon which the award is based. The award shall also state the date when the award was made and the seat of the arbitration and it shall be signed by the Arbitrator.
- 26.2 The Arbitrator shall NOT be responsible for delivering the award to the parties if the deposit for the costs of the arbitration (if any has been directed by the Arbitrator) has NOT been paid in accordance with the Rules and/or the Arbitrators fees have NOT been paid in full after delivery of a fee note and in accordance with these Rules.
- 26.3 An award may be expressed in any currency or more than one currency.
- 26.4 The Arbitrator may order that interest shall be paid by any Party on any sum awarded at such rates as the Arbitrator determines to be appropriate, in respect of any period which the Arbitrator determines to be appropriate ending not later than the date upon which the award is complied with.
- 26.5 The Arbitrator may make separate awards on different issues at different times. Such awards shall have the same status and effect as any other award made by the Arbitrator

- 26.6 In the event of a settlement of the parties' dispute, the Arbitrator may render an award recording the settlement if the parties so request in writing (a "**Consent Award**"), provided always that such award contains an express statement that it is an award made by the parties' consent. A Consent Award need not contain reasons. If the parties do not require a consent award, then on written confirmation by the parties to the Arbitrator that a settlement has been reached, the Arbitrator shall be discharged and the arbitration proceedings concluded, subject to payment by the parties of any outstanding costs of the arbitration.
- 26.7 Subject to Rules 26.9, 29 and 33 all awards shall be final and binding on the parties. By agreeing to arbitration under these Rules, the parties undertake to carry out any award without any delay (subject only to Rule 27).

Periodical payments

- 26.8 Where any final award contains an order for periodical payments the parties will draw up an agreement in a common form to implement the Arbitrator's award and shall, if necessary, present it to a Court in England and Wales for enshrining in an Order of the Court.

Provisional damages

- 26.9 Where any final award contains an award of provisional damages the Award shall comply with CPR 41 and the Claimant shall apply to the High Court to enshrine the award in an Order of the Court under S.32A of the Senior Courts Act 1981.

Part 36 offers

- 26.10 Unless the parties otherwise agree the provisions of CPR part 36 are incorporated into these Rules here.
- 26.11 The wording of CPR part 36 shall be interpreted as follows:
- (a) "Judge" and "court" means "arbitrator";
 - (b) "trial" means "hearing";
 - (c) "proceedings" means "arbitration proceedings";
 - (d) "judgment" means "award";
 - (e) all other words shall be interpreted in such a way as to facilitate the application of CPR rule 36 to the arbitration.

Rule 27

Correction of Awards and Additional Awards

- 27.1 **Errors:** Within 30 days of receipt of any award, or such lesser period as may be agreed in writing by the parties, a Party may by written notice to the Arbitrator via www.PlcArbs.co.uk/filing/ (copied to all other parties) request the Arbitrator to correct in the award any errors in computation, clerical or typographical errors or any errors of a similar nature. If the Arbitrator considers the request to be justified, he shall make the corrections within 30 days of receipt of the request. Any

correction shall take the form of a separate memorandum dated and signed by the Arbitrator.

- 27.2 The Arbitrator may likewise correct any error of the nature described in Rules 27.1 on its own initiative within 30 days of the date of the award, to the same effect.
- 27.3 **Omissions:** Within 30 days of receipt of the final award, a Party may by written notice to the Arbitrator via www.PlcArbs.co.uk/filing/ (copied to all other parties), request the Arbitrator to make an additional award as to claims or counterclaims presented in the arbitration but not determined in any award. If the Arbitrator considers the request to be justified, he shall make the additional award within 28 days of receipt of the request. The provisions of Rules 26 shall apply to any additional award.

Rule 28

Arbitration Costs, Legal Costs and QOCS

Arbitration costs

- 28.1 (a) Unless the Arbitration Agreement states otherwise, during the course of the arbitration the Claimant/s and/or the Defendant/s shall jointly and severally pay the costs of the arbitration (the Arbitrator's fees and expenses and the costs of PlcArbs) and shall pay any deposit for any fees of any expert appointed by the Arbitrator under Rule 24.
- (b) The parties (not PlcArbs) shall be jointly and severally liable to the Arbitrator for the arbitration costs should any liable Party fail to pay such costs.
- 28.2 The Arbitrator shall specify in the final award the total amount of the costs of the arbitration (but not the legal costs) as determined by the Arbitrator. Unless the parties agree otherwise in writing, the Arbitrator shall determine the proportions in which the parties shall bear all or part of such arbitration costs. If the Arbitrator has determined that all or any part of the arbitration costs shall be borne by a Party other than a Party which has already paid them, whether to the PlcArbs or the Arbitrator, the latter Party shall have the right to recover the appropriate amount from the former Party.

Legal Costs & Disbursements

- 28.3 The Arbitrator shall have the power to order in the award that all or part of the legal or other costs incurred by a Party be paid by another Party, unless the parties agree otherwise in writing. The following provisions apply to the legal costs and disbursements:
- (a) Unless the parties provide agreed figures the Arbitrator will make the costs award but will not assess the costs.
- (b) After an award is made or a settlement is reached, on any assessment of costs, the Court or any Costs Arbitrator/Mediator will determine and fix the amount of each item of costs or disbursements on such reasonable basis as he thinks fit but in so far as any hourly rates are set out in the Schedule of Rates attached to the

Arbitration Agreement those rates must be used (subject to any inflationary rise permitted).

- (c) **Qualified One Way Costs Shifting: QOCS** Any costs awarded by the Arbitrator to the Defendant against the Claimant are only enforceable up to a limit of 80% of the total lump sum damages plus interest awarded to the Claimant, excluding periodical payments and structured settlement periodical payments and CRU sums to be repaid.
- (d) If the Claimant does not recover any award of damages in the arbitration then the Defendant/s may not enforce any costs award which the Arbitrator has made against the Claimant.
- (e) QOCS applies unless the Arbitrator has ruled that the Claimant's claim or a substantial part thereof was fundamentally fraudulent and has lifted the QOCS barrier.
- (f) **Success fees, additional liabilities and ATE premiums.** The same rules apply to the recovery of these items in PlcArbs arbitrations as apply in civil proceedings at the time of the award.

Costs Principles

28.4 Unless the parties otherwise agree in writing, the Arbitrator shall make his orders on both arbitration costs and legal costs in accordance with the general principle that costs should reflect the parties' relative success and failure in the award or the arbitration, except where it appears to the Arbitrator that in the particular circumstances this general approach is inappropriate. Any order for costs shall be made with reasons.

28.5 If the arbitration is abandoned, suspended or concluded whether by agreement or otherwise before the final award is made, the parties shall remain jointly and severally liable to pay to PlcArbs its fees and the Arbitrator the costs of the arbitration as determined by the Arbitrator in accordance with these Rules. In the event that such arbitration costs are less than the deposits made by the parties, there shall be a refund by the Arbitrator in such proportion as the parties may agree in writing, or failing such agreement, in the same proportions as the deposits were made by the parties.

Rule 29

Limited Appeals

29.1 Subject to Rules 26.8 and 33 the decisions of the Arbitrator with respect to all matters relating to the arbitration shall be conclusive and binding upon the parties.

29.2 Except to the extent permitted by the law of England and Wales, the parties shall be taken to have waived any right of appeal to any State court or other judicial authority in respect of any decisions of the Arbitrator.

Rule 30

Confidentiality – Anonymised reports

- 30.1 Unless the parties expressly agree in writing to the contrary, and subject to Rule 30.5, the parties undertake to keep confidential all awards in their arbitration, together with all evidence and materials in the proceedings created for the purpose of the arbitration and all other documents produced by another Party in the proceedings not otherwise in the public domain - save and to the extent that disclosure may be required of a Party by a legal duty, to protect or pursue a legal right or to enforce or challenge an award in bona fide legal proceedings before a state court or other judicial authority.
- 30.2 The deliberations of the Arbitrator are likewise confidential.
- 30.3 The Arbitrator will not publish any award or any part of an award without the prior written consent of all parties.
- 30.4 PlcArbs shall be entitled to keep a copy of all arbitration awards (whether final or interim) on a database and unless the parties agree otherwise may publish the same on Lawtel, Lexis or elsewhere in anonymised form to aid consistency of approach for arbitrators in future.
- 30.5 The parties may publish any PlcArbs arbitration award in anonymised form on Lawtel, Lexis or elsewhere. Anonymised form means that the first and last names of the parties shall be anonymised [For example: *Andrew Smith v Hertfordshire NHST* could be called A v X NHST] and the names in body of the award shall also be anonymised.

Rule 31

Exclusion of Liability

- 31.1 None of the PlcArbs, the Arbitrator, the PlcArbs Registrar or any deputy Registrar, or any expert to the Arbitrator shall be liable to any Party howsoever for any act or omission in connection with any arbitration conducted by reference to these Rules, save where the act or omission is shown by that Party to constitute conscious and deliberate wrongdoing committed by the body or person alleged to be liable to that Party.
- 31.2 After the award has been made and the possibilities of correction and additional awards referred to in Rule 27 have lapsed or been exhausted, neither PlcArbs, the Arbitrator, the PlcArbs Registrar, any deputy Registrar, or expert to the Arbitrator shall be under any legal obligation to make any statement to any person about any matter concerning the arbitration, nor shall any Party seek to make any of these persons a witness in any legal or other proceedings arising out of the arbitration.

Rule 32

General Rules

- 32.1 A Party who knows that any provision of the Arbitration Agreement (including these Rules) has not been complied with and yet proceeds with the arbitration without

promptly stating its objection to such non-compliance, shall be treated as having irrevocably waived its right to object.

- 32.2 In all matters not expressly provided for in these Rules, the Arbitrator and the parties shall act in the spirit of these Rules and shall make every reasonable effort to ensure that an award is legally enforceable.

Rule 33

Capacity

This Rule only applies when a Party is a child or lacks capacity or where a Party loses capacity during an arbitration.

Arbitration Friend

- 33.1 The Party must be represented in the arbitration by an Arbitration Friend appointed in accordance with the provisions of CPR r.21 save that any reference in the CPR rule to the Court shall be interpreted as the Arbitrator and any reference to proceedings as a reference to the arbitration.

Arbitration Agreement

- 33.2 The Arbitration Agreement must be signed by a parent or guardian for a child or by a duly appointed deputy or person with a valid power of attorney for a Party lacking in capacity and (if that be a different person) the Arbitration Friend.

Court Order before the arbitration can start

- 33.3 Any Arbitration Agreement made by or on behalf of a child or person who lacks capacity shall only be made after the Party has obtained an order or orders from the Court/s:
- (a) **in the case of a child:** declaring that the Arbitration Agreement is beneficial to the child and enforceable and that no substantive review and approval for any final Award made by the Arbitrator is required by any Court under CPR 21 and/so that the Award will be enforceable in the normal way under S.66 of the Arbitration Act 1996;
 - (b) **in the case of a protected Party:** declaring that the Arbitration Agreement is approved by the Court of Protection and a further Court order declaring that no review or approval for any Award made by the Arbitrator is required by any Court under CPR 21 and/so that the Award will be enforceable in the normal way under S.66 of the Arbitration Act 1996.

- 33.4 The above stated Court orders must be filed with the Arbitration Agreement at the Start of the Arbitration under Rule 1.

Effect of breach

- 33.5 Any breach of Rules 33.1, 33.2, 33.3 and 33.4 shall lead to the Arbitration Agreement being declared a nullity under these Rules by the Arbitrator (save the purpose of the Parties liability for the fees of the PlcArbs Institution and the Arbitrator's fees).

Approval of settlements

- 33.6 CPR r.21 and PD 21 shall apply to any arbitration involving a child or protected Party save that: any reference to the Court shall be interpreted as to the Arbitrator; and any reference to proceedings as a reference to the arbitration; and that instead of a part 8 application to the Court the Parties or the Claimant will apply through www.PlcArbs.co.uk/filing/ to the Arbitrator for review and potential approval of the settlement.
- 33.7 Any settlement made by the Parties must be reviewed and may be approved by the Arbitrator who shall ensure that the settlement is only approved if it is fair and reasonable for the child or protected Party.
- 33.8 If so required by Law or the Rules of Court, before or as soon as possible after the Arbitrator has made a final award in an arbitration involving a child or protected Party/ protected beneficiary to whom damages are awarded, those representing the child or protected Party/beneficiary shall apply to the Court for directions about payment of money into the Court Funds Office.

Note:

Further Rules may be promulgated in the event that an order is made by or procedures are agreed with the High Court in relation to arbitration of claims by Parties who are children or are lacking in capacity. END
